China's new Ambassador to US is going to land on the 27th next Tuesday on New York by China Eastern. I need your help to get as many as possible passes (let's say 6?) to go into the airport to meet with him, as last time when Ambassador Cui left New York. Please give me a hand. Thank you very much with great appreciation. Ping

Ambassador Huang, it's all done. Just like last time, Ajay will be the contact person for you. I have given Ajay's contact information to Shen Xi. I have also confirmed with Ajay that he will be waiting for you at the airport tomorrow and will help you make arrangements. If there is anything else, you can contact me at any time.

7/27/2021 3:02:20 PM EDT

Thanks a lot [Fight][Fight][Fight]

7/27/2021 3:05:07 PM EDT

One more thing, since Ambassador Qin's appointment is a very important matter, especially at a time like this—one could even say it's a historic event—we have two television reporters who would like to interview him on the spot. [We] hope the airport authorities can provide assistance by allowing him to be interviewed at the scene. Could you please give the airport authorities a heads-up in advance? Thank you once again!

Just now Shen Xi said that DC has not received a response from the State Department. I told Shen Xi that if DC needs it, I can help arrange it. I think the State Department will be slower to operate, there are many departments, and it won't be as fast as if I talk to JFK directly.

7/27/2021 3:06:31 PM EDT

I was mainly worried that the US would not allow filming at the airport, so it would be better to inform them in advance.

7/27/2021 3:07:11 PM EDT

Yes, things in DC are more bureaucratic

7/27/2021 3:07:41 PM EDT

Let me talk to Ajay first. Where will Ambassador Qin be interviewed at the airport? After he passes through customs?

7/27/2021 3:07:58 PM EDT

Will there be anyone from the community to pick up?

HUANG  
PING

7/27/2021 3:11:44 PM EDT

After going through customs, I am mainly worried that the airport would not allow the media to enter with cameras. Since it is during the epidemic, we do not organize community members to go

7/27/2021 3:12:40 PM EDT

Ok, thanks!

7/27/2021 3:12:28 PM EDT

I'm not sure about this either. I'll call and ask first.

7/27/2021 3:28:37 PM EDT

Ajay: I can't make this decision. I left a message to JFK's operations manager and I'm waiting for him to get back to me. I'll contact you later.

7/27/2021 3:32:03 PM EDT

If it still doesn't work, I will go to JFK in person tomorrow so that I can coordinate if there are any problems.

7/27/2021 9:57:24 PM EDT

If you come in person, everything will go smoothly.  
Thank you very much [Fight][Fight][Fight]
